Geoff@burnard.co.nz  
Phone: +64 9 256 7182  
Fax: +64 9 275 4290

This deal works out to be approximately €3300 per 40ft container. Less than €300 per boat!!!!!!!  
We want to see as many of you down here as possible, feel free to contact Geoff at Burnard or myself to help arrange the details.

For teams not able to fill an entire container we can easily co-ordinate to fill a container with boats from different countries
